Genealogy can often be a lonely experience, sitting in front of a computer screen or scanning the pages of a book, but it doesn't have to be. Join your fellow genealogists in sharing stories, celebrating successes, dismantling roadblocks and learning research techniques and new resources. Open to experienced and beginning researchers alike. Go to [mrcpl.org/calendar](http://mrcpl.org/calendar) to register online or call 419.521.3110.
