

# Attracting Birds to Your Feeder

The Ohio Bird Sanctuary will be here to teach us what to put out for our feathered friends this Winter. Learn what kind of seed to offer, how often to fill your feeder, how your friends are getting all those different kinds of birds to their feeder, and much more! Go to [mrcpl.org/calendar](http://mrcpl.org/calendar) to register online or call your library.

## Thursday, January 9
