

# Teen Programs @Butler Branch Library May

## Come COLOR!

March, April, May

**Grades 6-12**

Do you like to color? Are you stressed? The practice of coloring generates wellness, and also stimulates brain areas related to motor skills, the senses and creativity. Cool, right? So come anytime during the month, pick up some colored pencils and color your heart out!

## Rock Painting

Thursday, May 16  
3 PM

**Grades 4-12**

Back by popular demand. Bring a friend and paint a rock for you, a friend, or for someone to find. We have everything you need to design the perfect geological masterpiece.
