

Teen Programs @Madison Branch Library June

Nebula Jar

Wednesday, June 12
2 PM

Grades 6-12

Want to capture space in the palm of your hand?
Come to the library to learn the wonders of the universe
and create your very own galaxy jar.

Mini Lightsaber

Wednesday, June 19
2 PM

Grades 4-12

The Force is strong with this one – use this mini lightsaber to guard against the Dark Side.
Choose from four different iconic lightsaber templates and pair it with a colored glow stick.

Galaxy Bath Bombs

Wednesday, June 26
2 PM

Grades 6-12

Science and imagination combine in this fun
space-themed program
