

Teen Programs @Main Library June

Sport Necklaces

Monday, June 10
3 PM

Grades 4-12 Support your favorite team or player with a personalized sport washer necklace. Or select a shorter cord and use as a zipper pull for sports bags or backpacks.

The Right Telescope for You!

Tuesday, June 11
6 PM

Grades 6-12 There are so many different kinds of telescopes! In order to make the right decision on what type of telescope to buy, Warren Rupp Observatory will give you pointers on what to look for.

Nebula Jar

Thursday, June 13
3:30 PM

Grades 6-12 Want to capture space in the palm of your hand? Come to the library to learn the wonders of the universe and create your very own galaxy jar.

Trapped in Outer Space: Escape Room

Tuesday, June 18
4 PM

Grades 6-12 You wake up with a throbbing headache. As you look around, you realize you're not on Earth anymore. See if you can work together and get back to Earth before time runs out.
