

Teen Programs @Main Library June

Drones: Space Force One

Wednesday, June 26
6 PM

Grades 4-12

Come and watch expert drone pilot Wes Burson as he deftly maneuvers his drones in and around obstacles and try your hand at flying one.

Tie Dye Time!

Thursday, June 27
3:30 PM

Grades 6-12

We will supply the shirts, music, food and fun. All you have to do is show up and spill some paint on stuff. Sounds fun right?

Beginners Programming Class

Saturday, June 29
1-4 PM

SCRATCH

Grades 4-12

Learn to program a game using the Scratch programming language! Bring your own laptop if you have one. We will have a limited number of laptops available. Go to mrcpl.org/calendar to register online or call 419.521.3110.
