

# Richland County Prediabetes & Diabetes Resources 2020

**Diabetes Self Management Education Classes:** Individual assessment and consultation available as well as comprehensive education class series for adults, offered at both OhioHealth Mansfield and Shelby locations. Medicare, Medicaid and private insurance accepted. Financial assistance available. Physician referral required. Call (419) 520-2550 for program information, registration and class schedules.

**OhioHealth Adult Diabetes Support Group:** Meetings are scheduled for February 25, May 26, August 25, and November 24 at 6:45pm in the Wellness and Prevention Center, OhioHealth Mansfield Medical Office Building (4<sup>th</sup> floor), 335 Glessner Ave, Mansfield, Ohio 44903 Call (419) 520-2550 for information.

**Diabetes Camp Program Scholarships for children and teens with Type 1 Diabetes:** Contact OhioHealth Mansfield/Shelby Diabetes Education at (419) 520-2550 for scholarship details. Residential Camp and Day Camps available. Visit: [www.diabetesohio.org](http://www.diabetesohio.org) for more information regarding specific camp programs and registration details.

**Area Agency on Aging, Diabetes Empowerment Education Program (DEEP) & Healthy U Program:** 6-week workshop about self-management of diabetes or chronic medical conditions. Interactive workshop that provides tools to help manage symptoms and live healthier, happier lives. Call Michelle at (567) 247-6476.

**OhioHealth & Mansfield YMCA Diabetes Prevention Programs (DPP):** One-year evidence-based program to help participants make and sustain lifestyle changes to prevent type 2 diabetes. This program is for those who are prediabetic through lab results or questionnaire at [www.DoiHavePrediabetes.org](http://www.DoiHavePrediabetes.org), not for those with diabetes diagnosis. Financial assistance available to those who qualify. For OhioHealth call (567) 241-7199. For Mansfield YMCA call (419) 522-3511 and ask for James.

**Mansfield YMCA's Blood Pressure Self Management Program:** FREE 4-month program to provide you the tools to monitor and reduce blood pressure and improve eating habits for a healthy heart. Contact James Twedt, 419-522-3511 x 258 or [jtwedt@mansfieldy.org](mailto:jtwedt@mansfieldy.org) for more information and to enroll.

**Richland Public Health Community Health Screenings:** FREE blood sugar screening and health assessment at various locations and dates/times throughout Richland County. Call (419) 774-4540 or [www.richlandhealth.org/our-community/community-health-screenings/](http://www.richlandhealth.org/our-community/community-health-screenings/) for screening schedule.

**Richland County WIC Program:** WIC (Women, Infants & Children) is a nutrition education program for pregnant women, women who have a baby less than six months old, infants and children up to 5 years old. WIC provides individualized nutrition counseling, nutritious foods, help in finding health care and breastfeeding support and education to low and moderate income families. Visit [richlandhealth.org](http://richlandhealth.org) or call (419) 774-4560 for more information.

This resource is provided by the  
**RICHLAND COUNTY DIABETES COALITION**

The Richland County Diabetes Coalition was formed in 2017 and meets on a monthly basis with local health and community organizations. If you would like to learn more about the coalition, please call: (419) 520-2550.

~VISION STATEMENT ~

We are community partners with a unified voice raising community awareness of prediabetes and diabetes.

~MISSION STATEMENT~

As community partners, we will identify needs, share resources and as well as best in practice, communication and problem solving standards.
